### 80th Anniversary of VE Day

## Let's We Forget

This year, we celebrated the 80th Anniversary of VE Day with a remembrance tram ride from Seaton to Colyton. The scenic journey took us past the picturesque Seaton Wetlands, allowing us to reflect on the significance of the day. Upon reaching Colyton, our residents participated in a delightful word quiz and a VE Day-themed musical quiz, all while enjoying a lovely afternoon tea. The experience was both educational and enjoyable, and it allowed us to honour those who contributed to peace and freedom.

On 8th May, we were privileged to have Paul Stevens perform for our residents. His performance, combined with a delicious afternoon tea prepared by our talented chefs, made for a truly special occasion.

Celebrations continued on 10th May with a community event held on the Minster Church Green.

### Earth Day

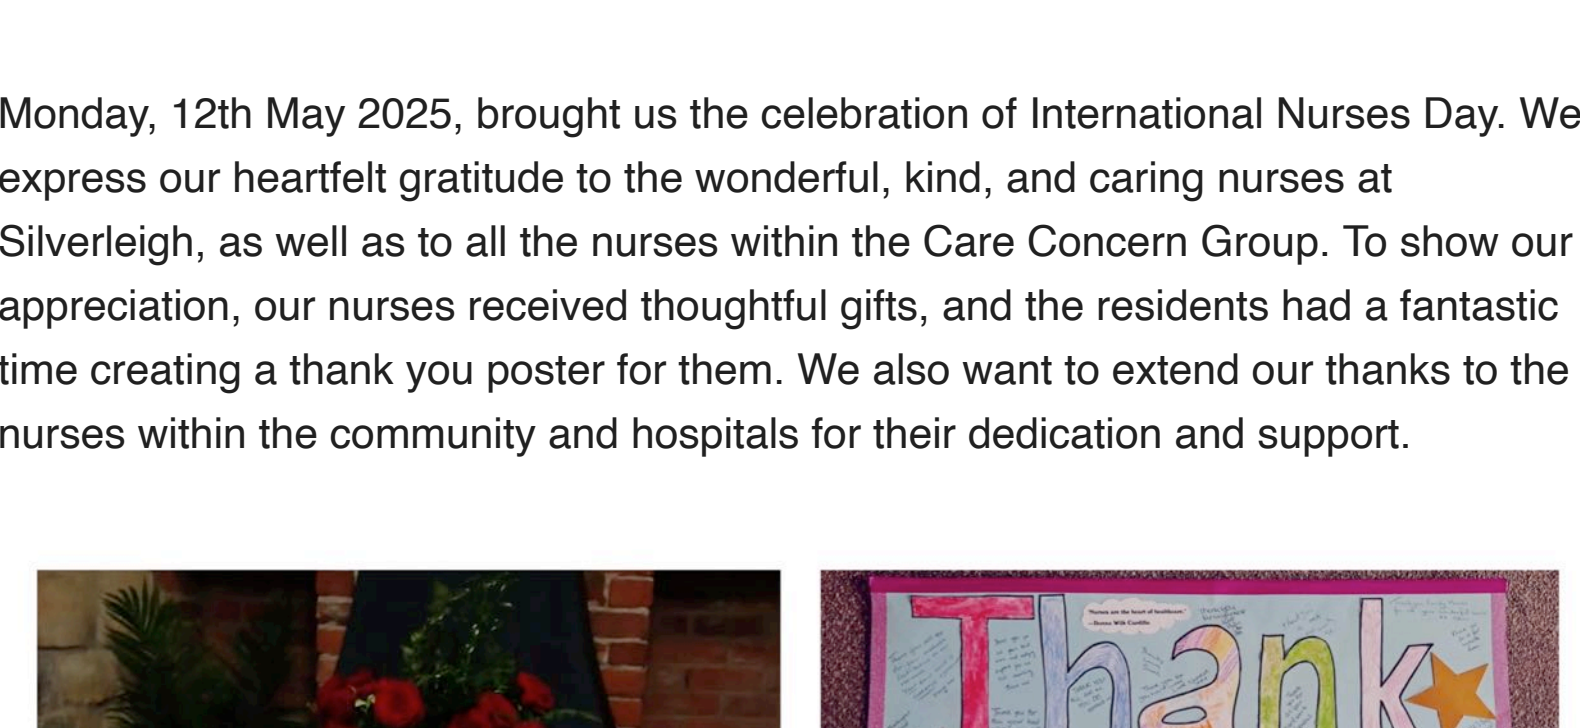

## Green Fingers

April 22nd, 2025, marked the 55th anniversary of Earth Day, a day that unites individuals from various backgrounds to work towards a healthier planet. In honour of this significant day, our residents enthusiastically participated in planting a variety of herbs, tomato and strawberry plants, alongside beautiful flowers in our garden. This hands-on activity not only brings beauty to our surroundings but also allows our residents to take part in nurturing something special and watching it grow.

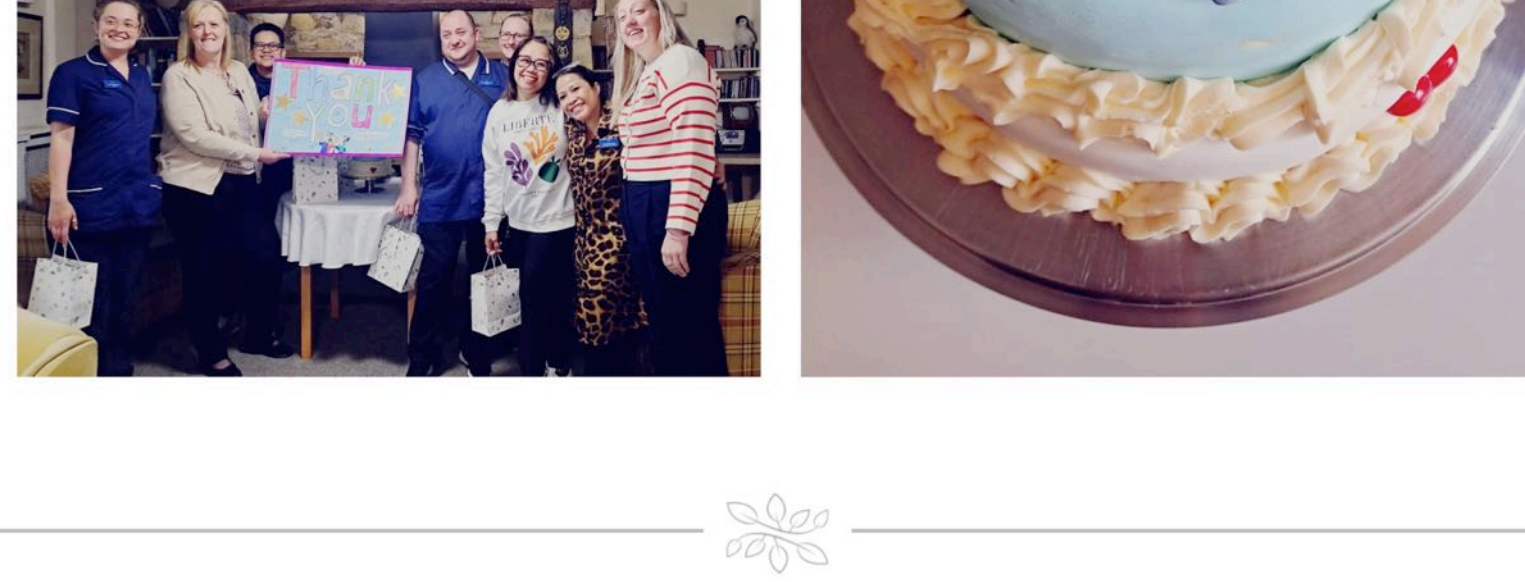

### International Nurses Day

## We Appreciate You...

Monday, 12th May 2025, brought us the celebration of International Nurses Day. We express our heartfelt gratitude to the wonderful, kind, and caring nurses at Silverleigh, as well as to all the nurses within the Care Concern Group. To show our appreciation, our nurses received thoughtful gifts, and the residents had a fantastic time creating a thank you poster for them. We also want to extend our thanks to the nurses within the community and hospitals for their dedication and support.
