

INTRODUCTION

Message From Our Team

Welcome to the latest edition of the Silverleigh Care Home newsletter.

Summer has brought plenty of warm weather, giving residents lots of opportunities to enjoy our garden and spend time outdoors. With some particularly hot days, keeping everyone cool, comfortable and well hydrated has also been an important focus for our team.

Over the past few months, we have enjoyed everything from cheese and wine afternoons to making good use of our new garden furniture. We have also had some achievements to celebrate, including maintaining our 5-star food hygiene rating and recognising members of our team for their excellent work.

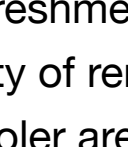

As always, thank you to our residents, families and staff for your continued support. We hope you enjoy catching up on some of our recent news.

If you know someone who would like to receive our email newsletters/updates just let us know, or forward them the newsletter sign up link below:

Best wishes,

Silverleigh Care Home Team

EVENTS & ACTIVITIES

Beat The Heat

With the heatwaves we have experienced so far this summer, keeping residents and staff cool and well hydrated has been particularly important.

We have made sure that drinks and refreshments have been readily available throughout the warmer days, with plenty of reminders to keep drinking and opportunities to stay comfortable in cooler areas of the home.

We would also like to say a big thank you to the Community Waffle House in Axminster for providing us with some delicious smoothies. They were a very welcome treat during the hot weather and thoroughly enjoyed by our residents.

World Cheese Day

We couldn't let World Cheese Day pass without marking the occasion, so we celebrated with a cheese and wine afternoon.

Residents enjoyed sampling a selection of different cheeses accompanied by a glass of wine, with plenty of conversation around the table as everyone compared their favourites.

It was a relaxed and enjoyable way to spend the afternoon and certainly went down well with our cheese lovers.

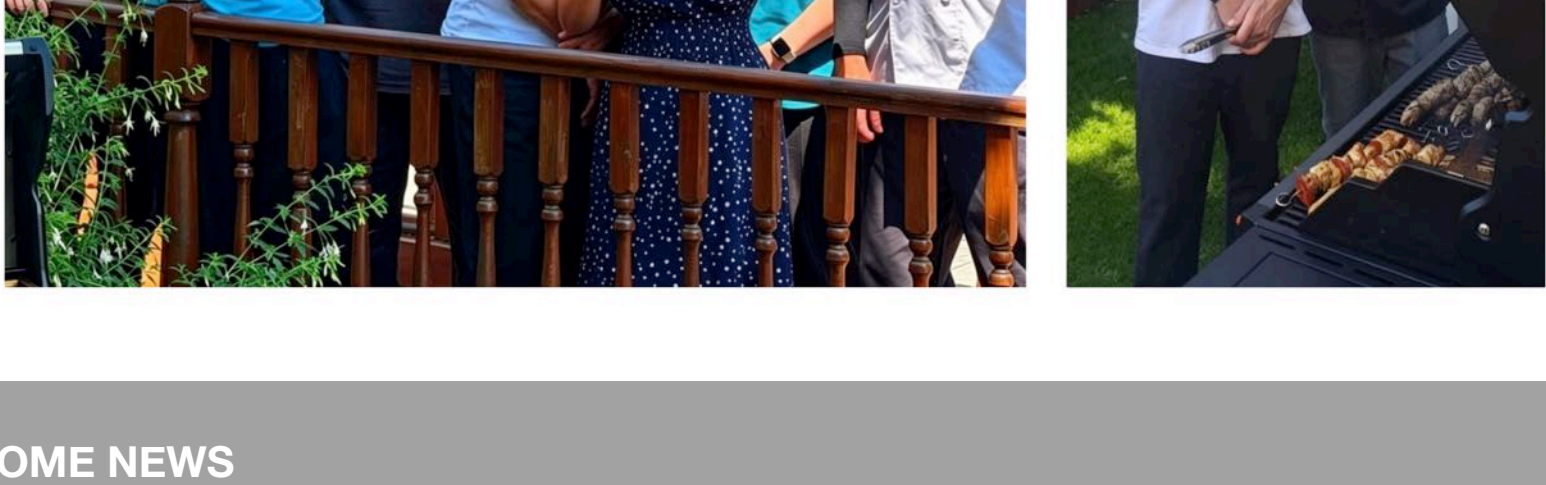

Maintaining Our 5-Star Food Hygiene Rating

We are pleased to share that following a recent visit from the Environmental Health Officer in July, Silverleigh has maintained its 5-star food hygiene rating.

This is a fantastic achievement for our kitchen and wider team and reflects the high standards maintained within the home every day.

We would like to thank everyone involved for their continued hard work and commitment to maintaining these standards for our residents.

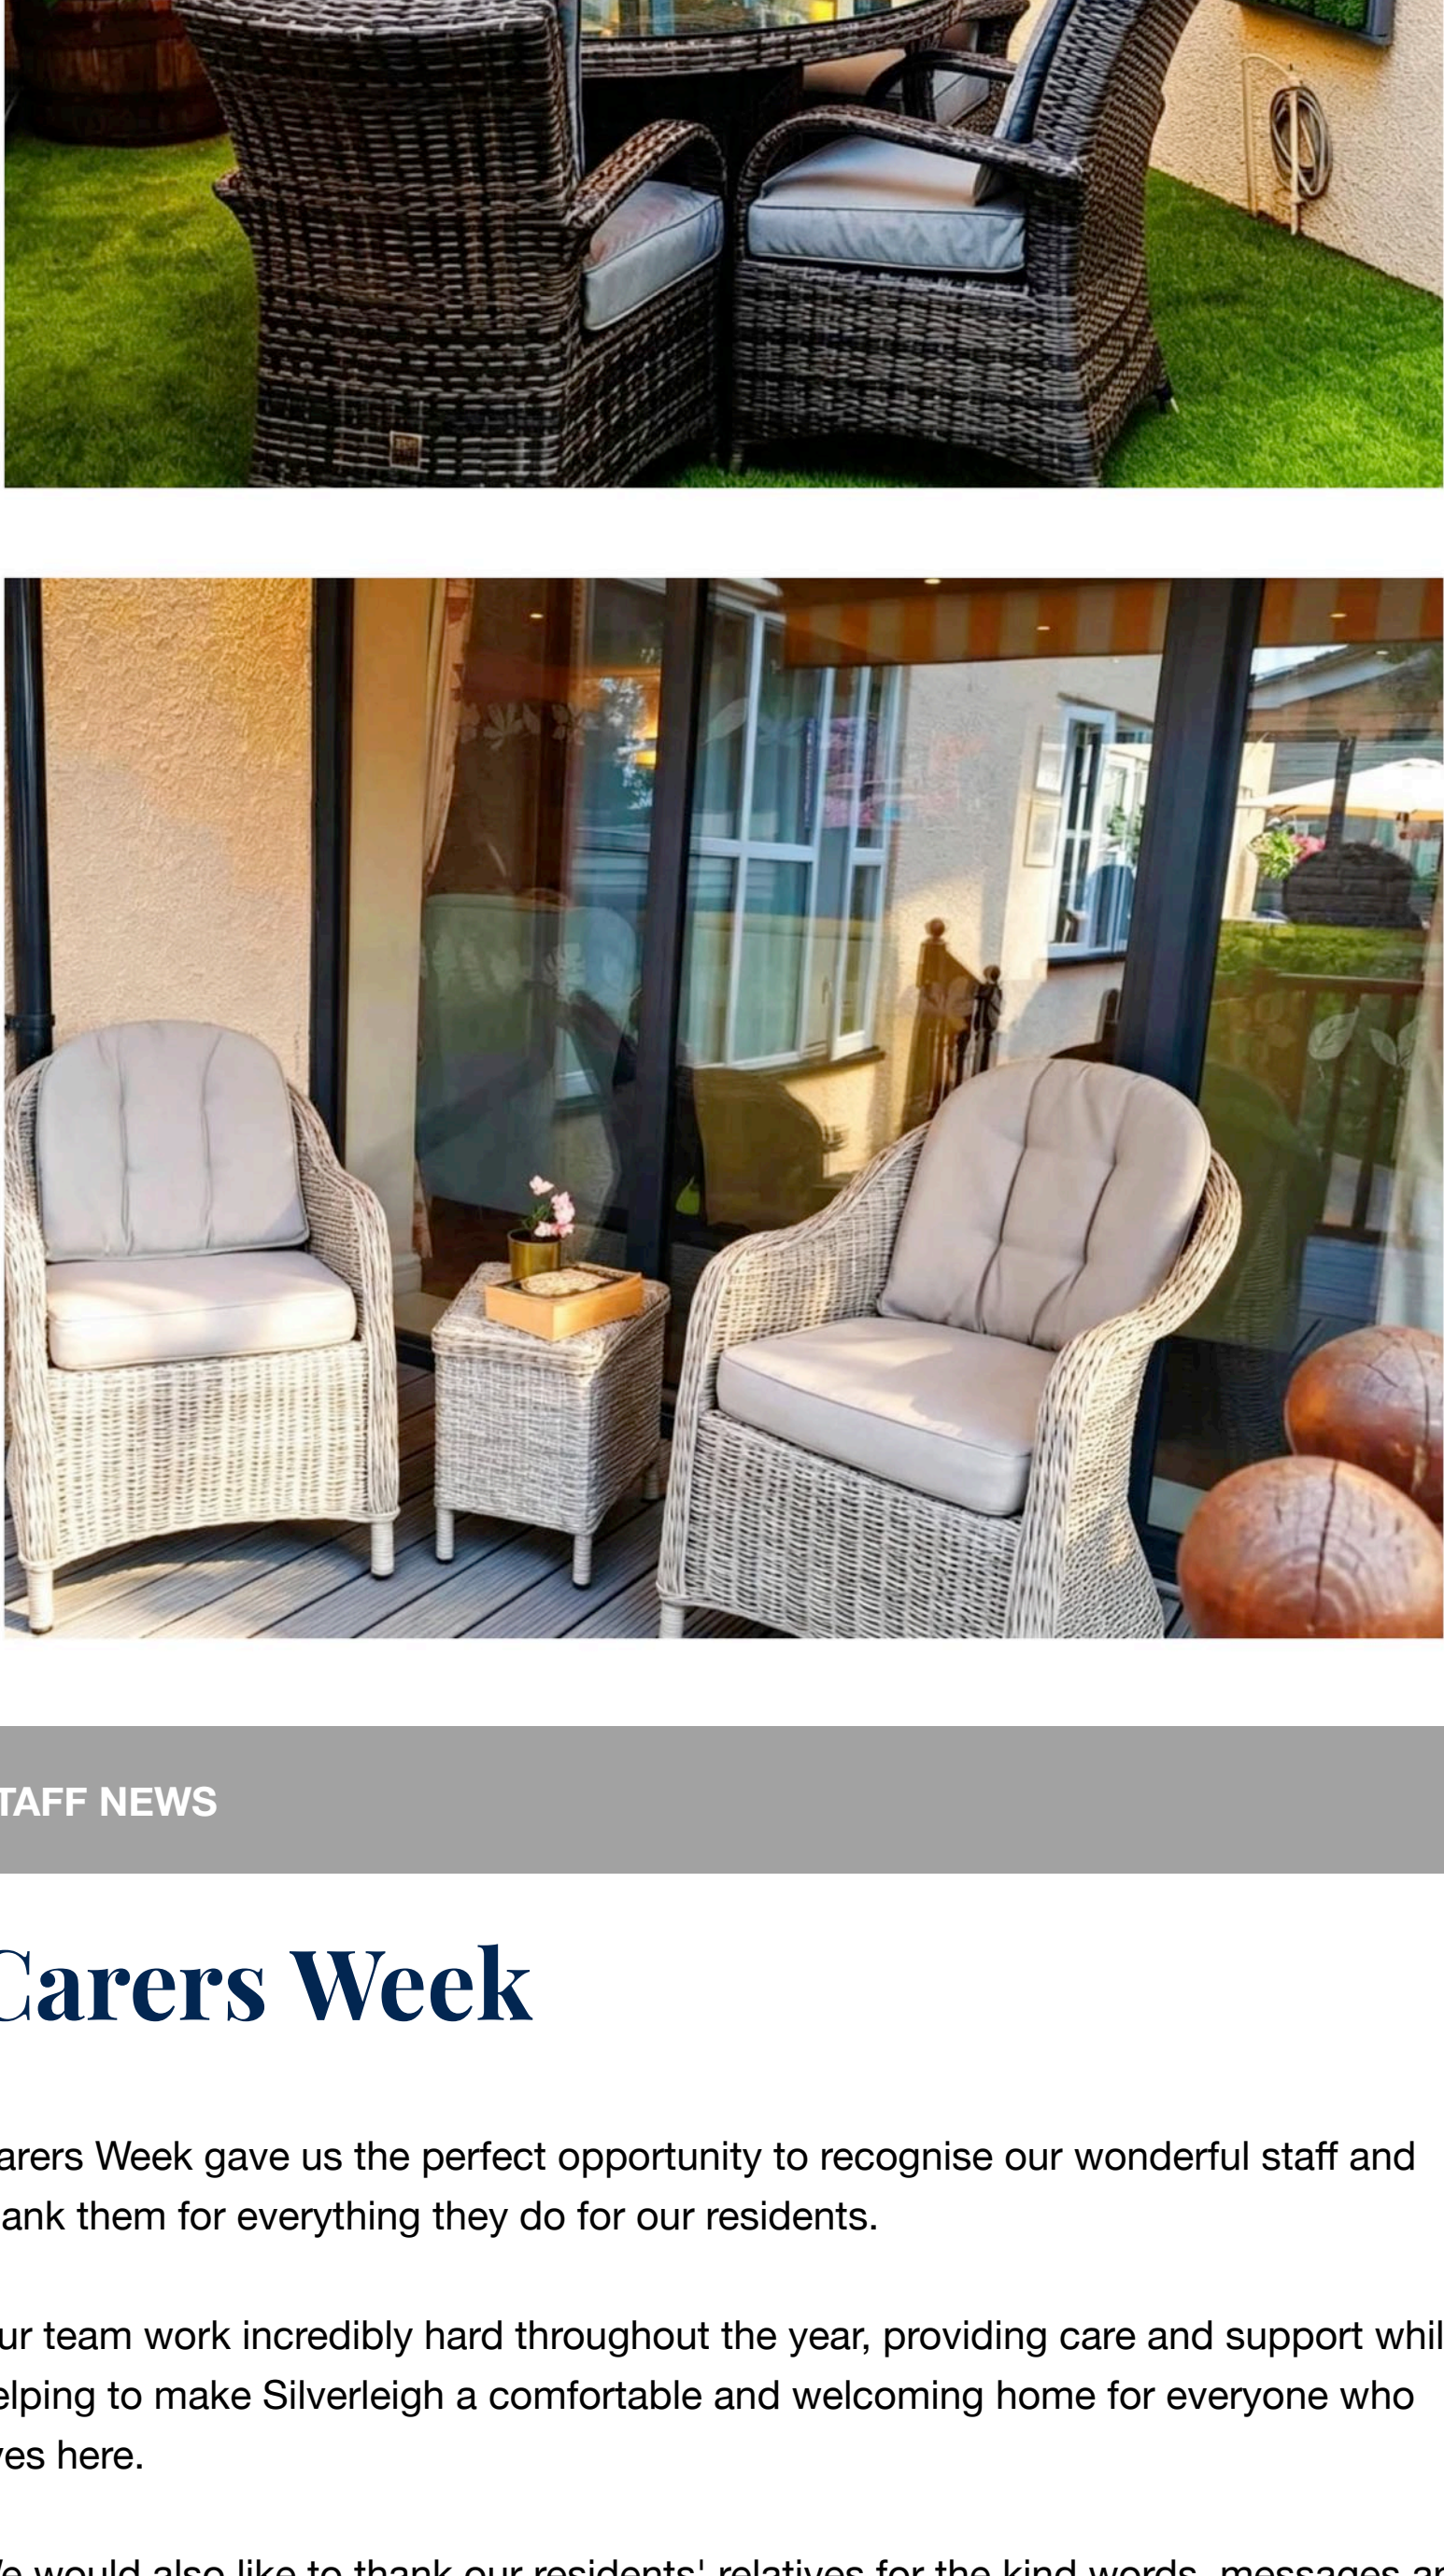

HOME NEWS

New Garden Furniture

Our fantastic new garden furniture is already proving to be a big hit with residents and has given us even more opportunities to make good use of our outdoor spaces.

Residents have been able to enjoy meals and refreshments outside, catch up with friends or simply sit back and relax in the sunshine.

The garden is such an important part of the home during the warmer months, and it has been lovely to see it being enjoyed for dining, socialising and spending a quiet afternoon outdoors.

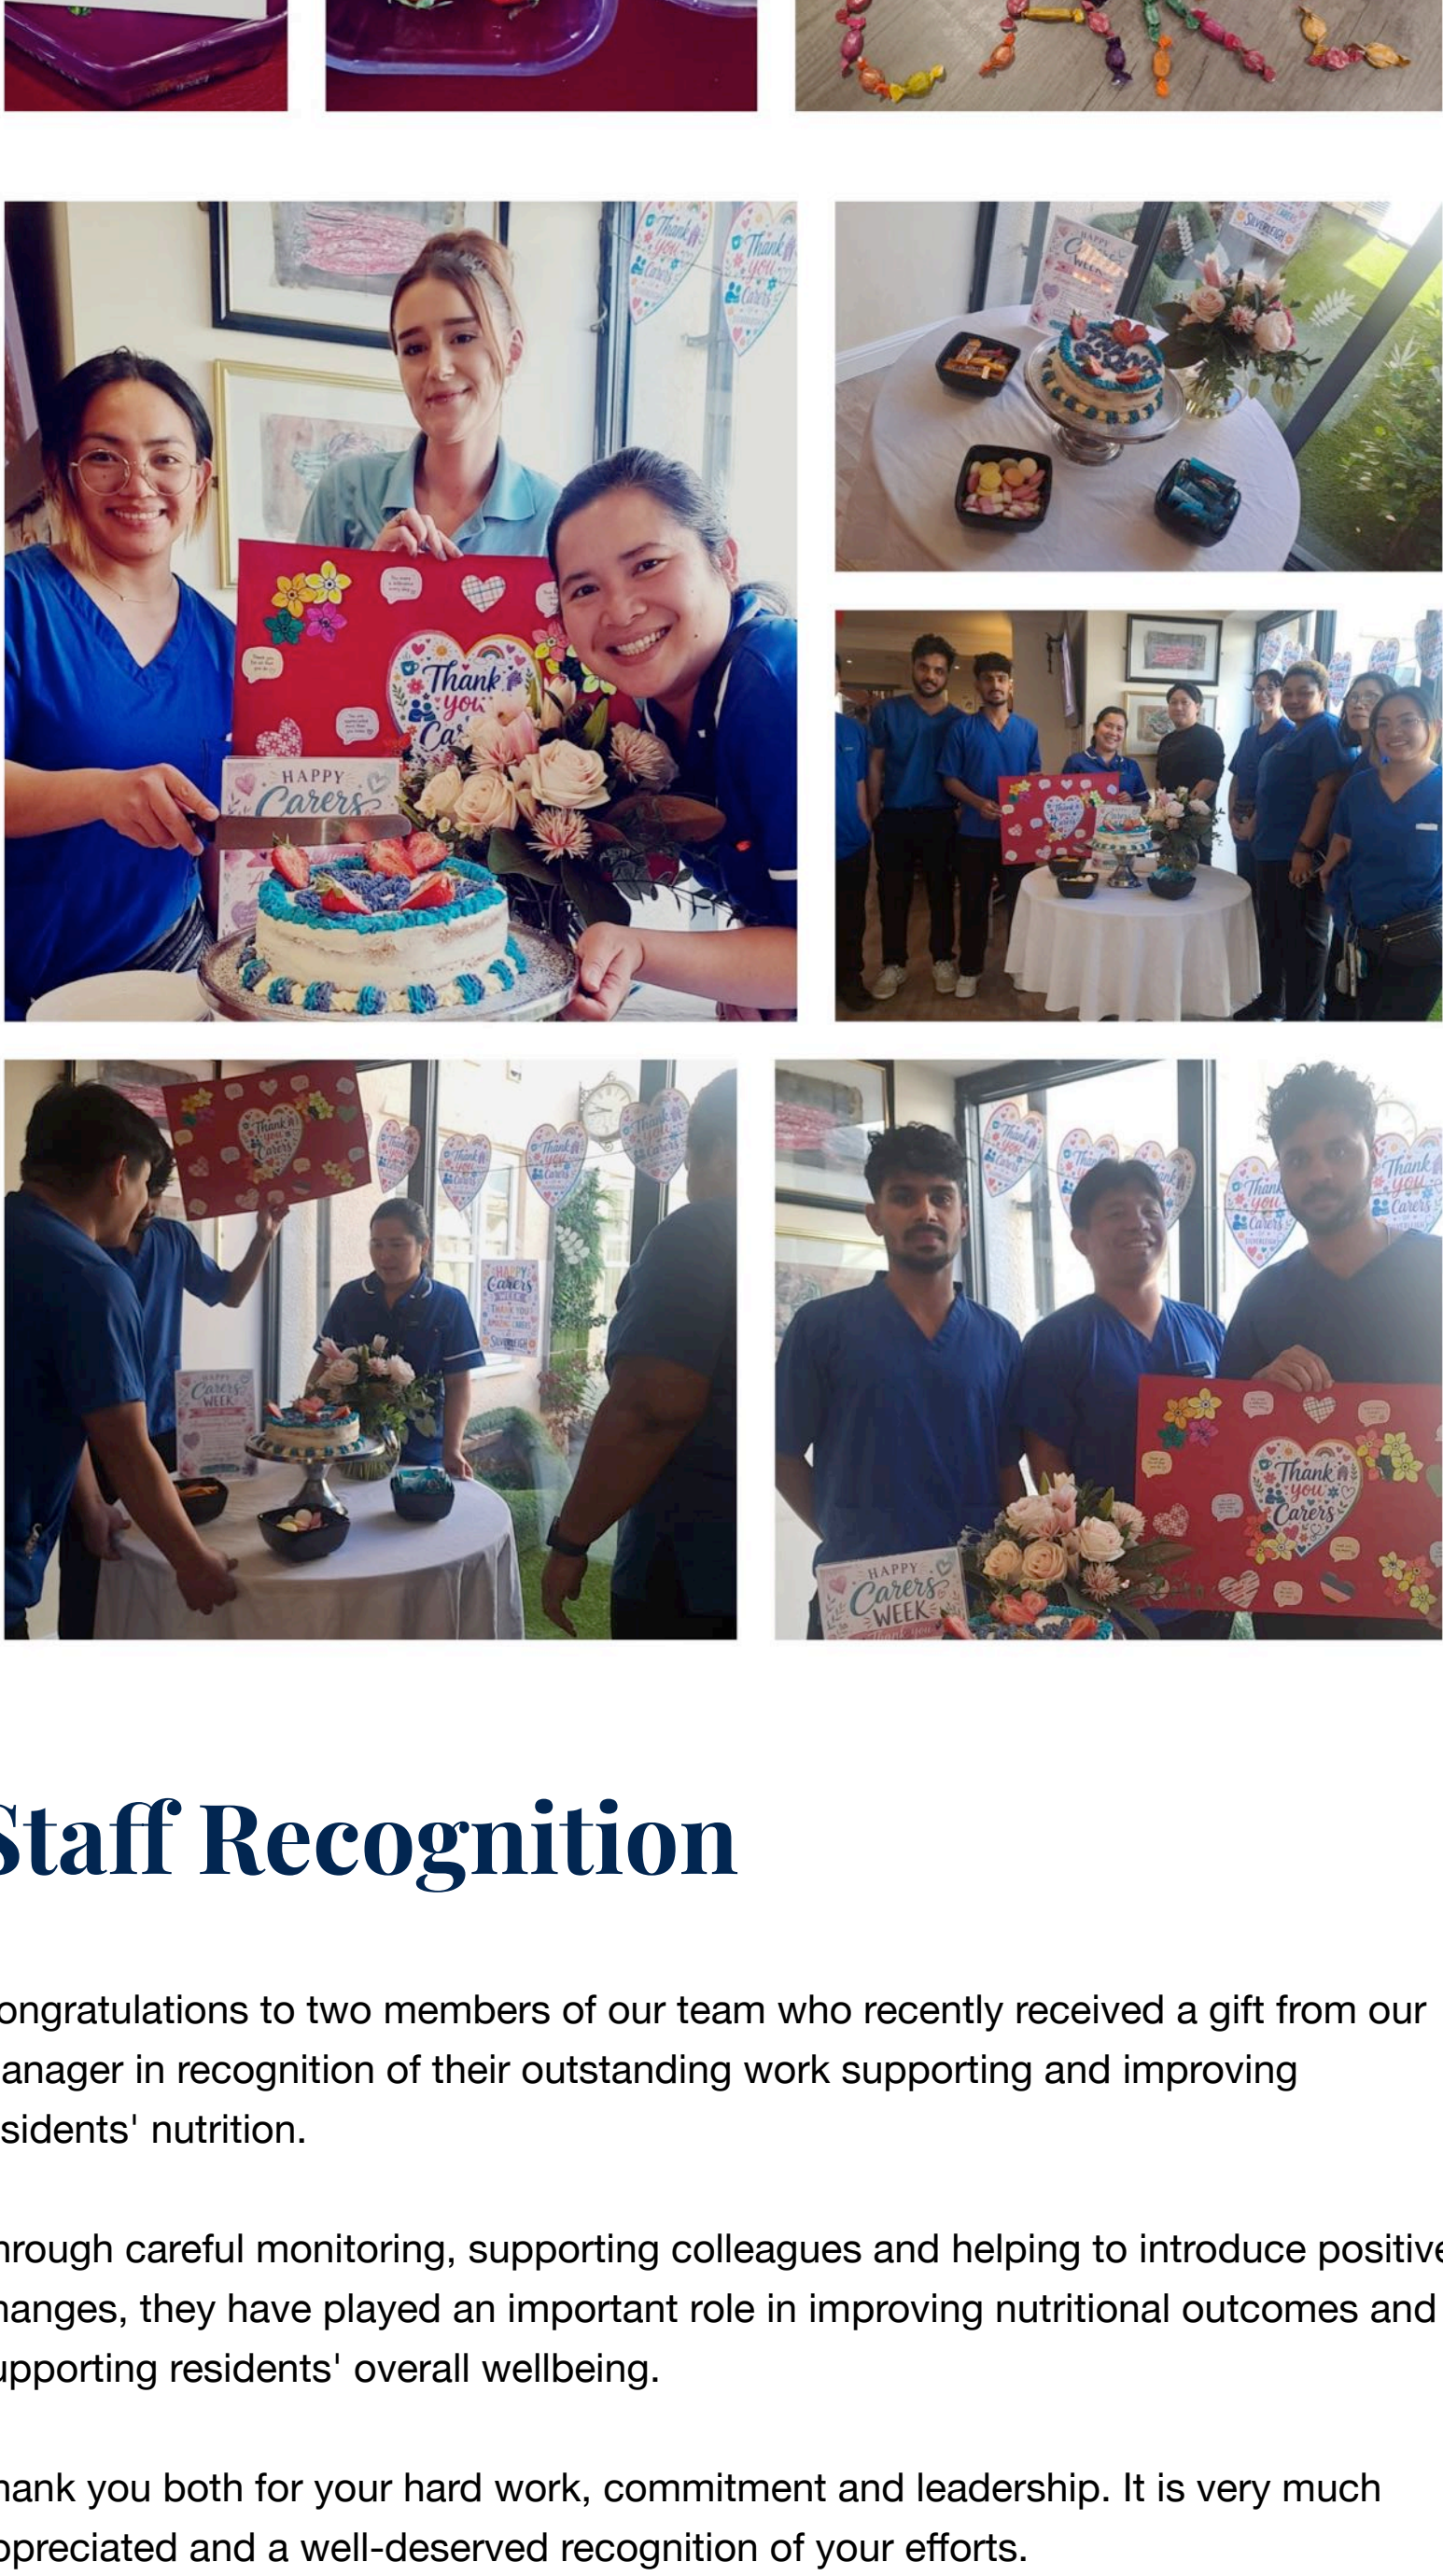

STAFF NEWS

Carers Week

Carers Week gave us the perfect opportunity to recognise our wonderful staff and thank them for everything they do for our residents.

Our team work incredibly hard throughout the year, providing care and support while helping to make Silverleigh a comfortable and welcoming home for everyone who lives here.

We would also like to thank our residents' relatives for the kind words, messages and gifts received during the week. They were greatly appreciated by the whole team.

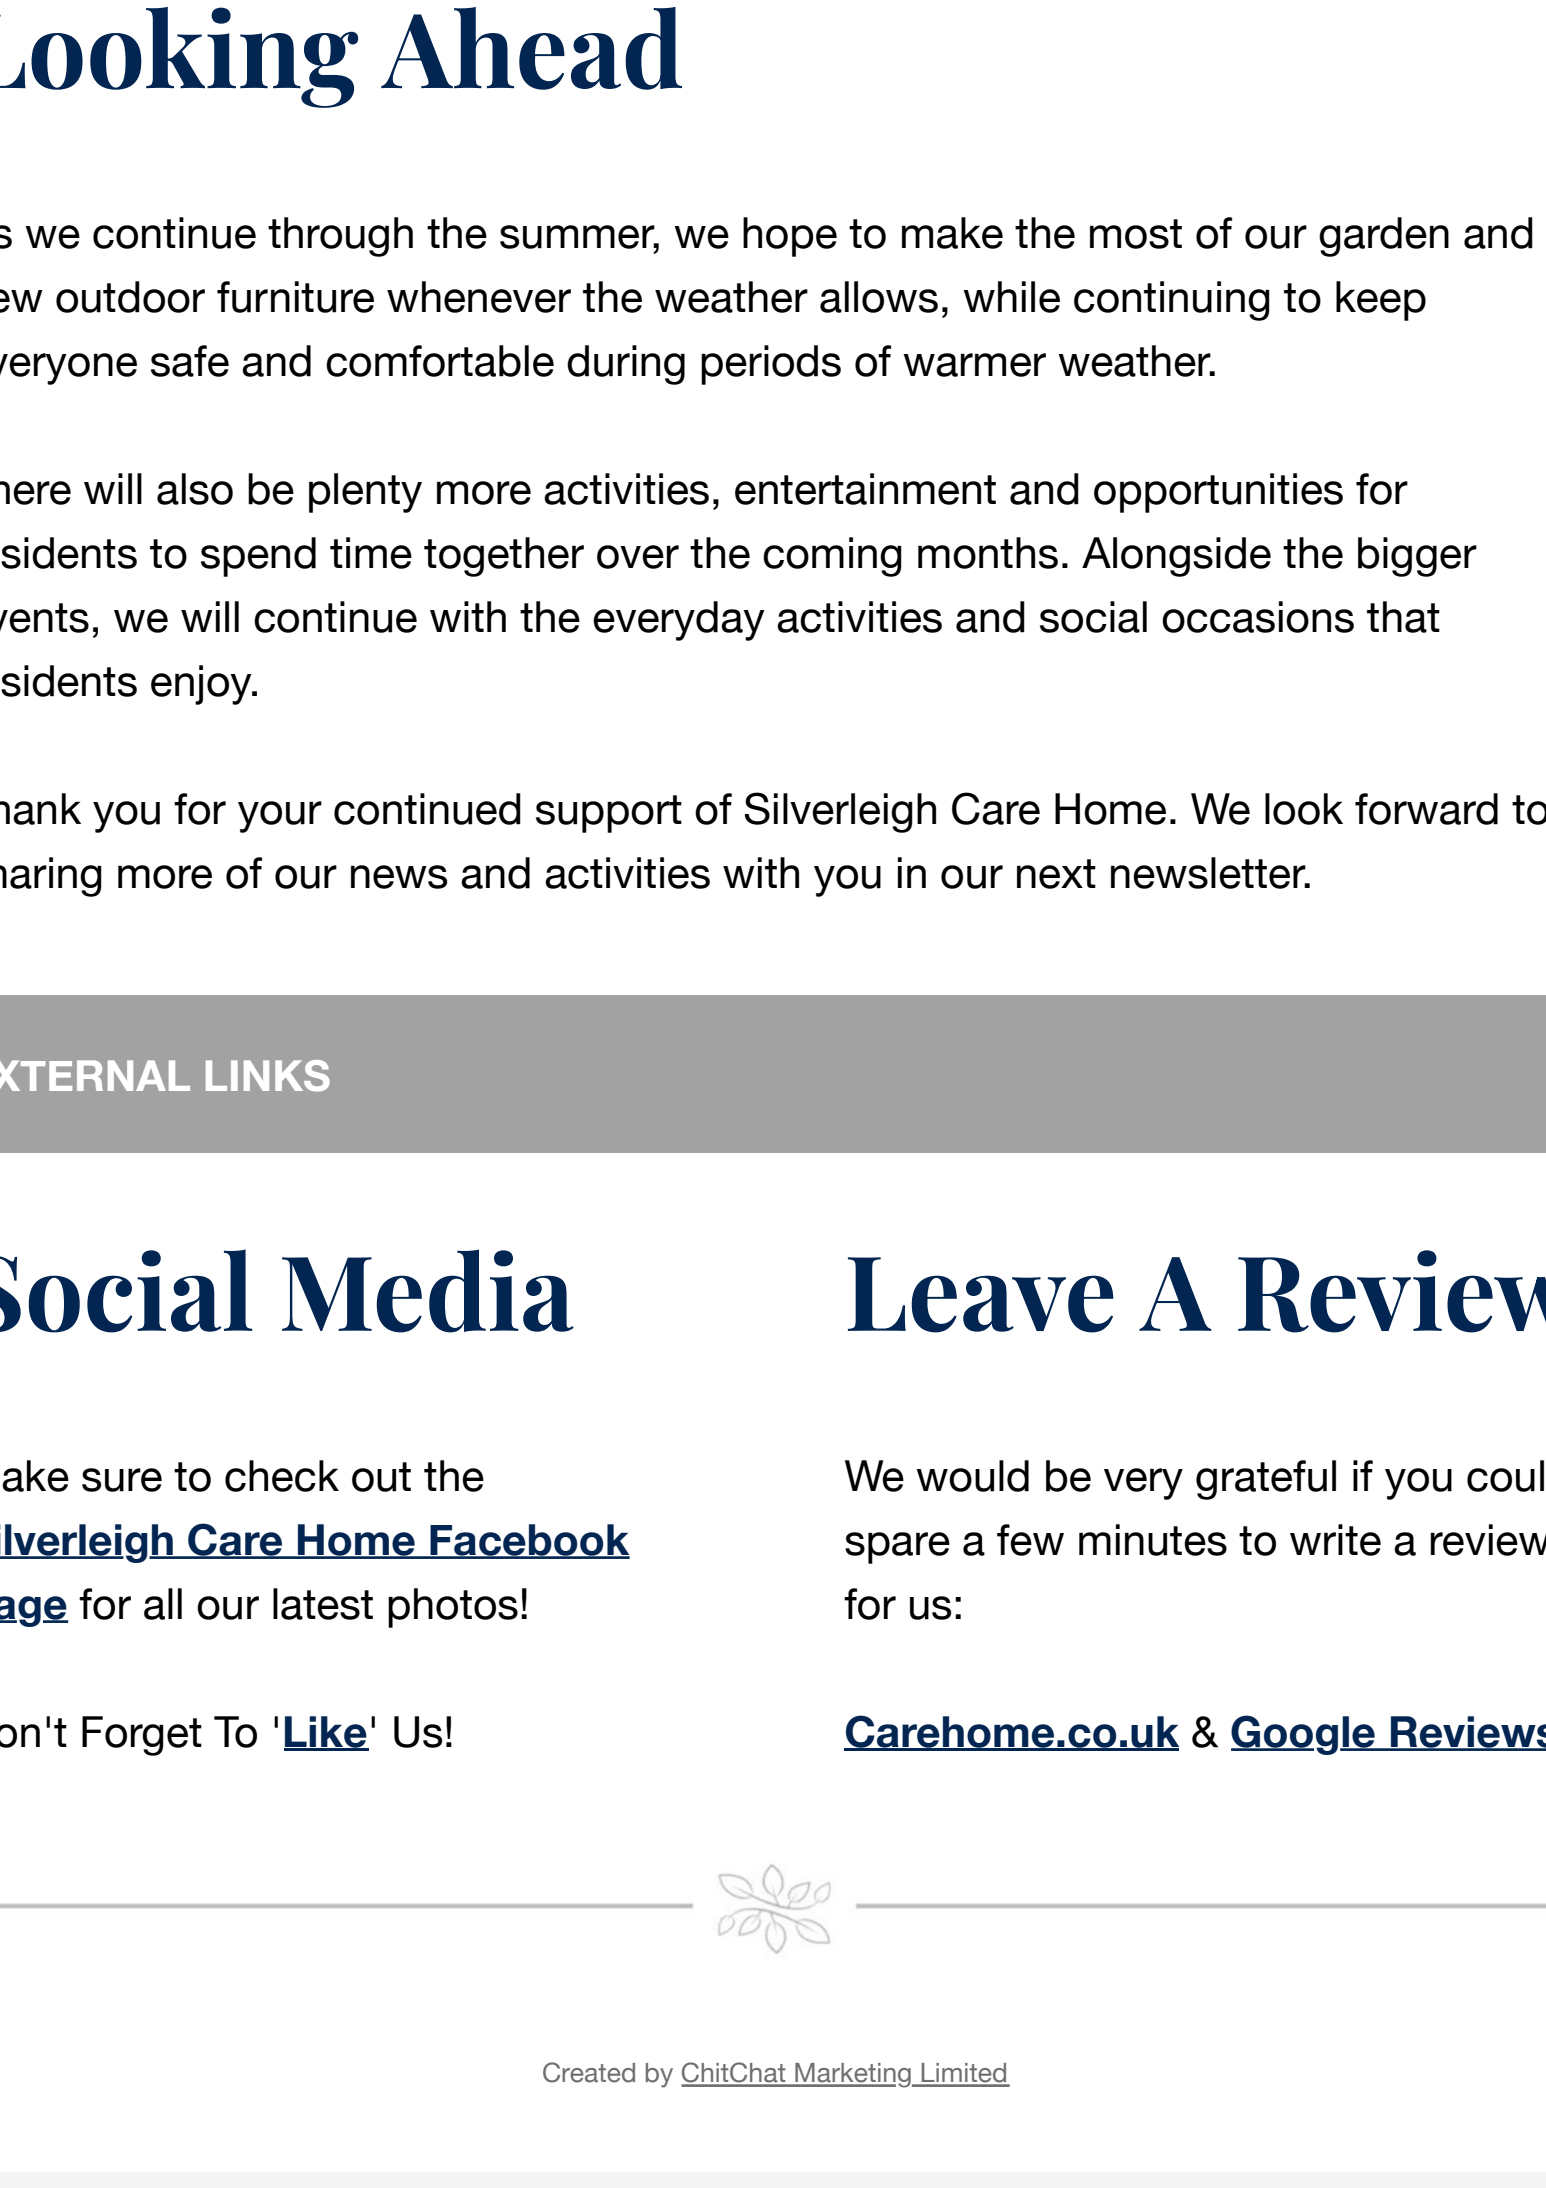

Staff Recognition

Congratulations to two members of our team who recently received a gift from our Manager in recognition of their outstanding work supporting and improving residents' nutrition.

Through careful monitoring, supporting colleagues and helping to introduce positive changes, they have played an important role in improving nutritional outcomes and supporting residents' overall wellbeing.

Thank you both for your hard work, commitment and leadership. It is very much appreciated and a well-deserved recognition of your efforts.

COMING UP

Looking Ahead

As we continue through the summer, we hope to make the most of our garden and new outdoor furniture whenever the weather allows, while continuing to keep everyone safe and comfortable during periods of warmer weather.

There will also be plenty more activities, entertainment and opportunities for residents to spend time together over the coming months. Alongside the bigger events, we will continue with the everyday activities and social occasions that residents enjoy.

Thank you for your continued support of Silverleigh Care Home. We look forward to sharing more of our news and activities with you in our next newsletter.
